To help you...

Choose love -- ❤️

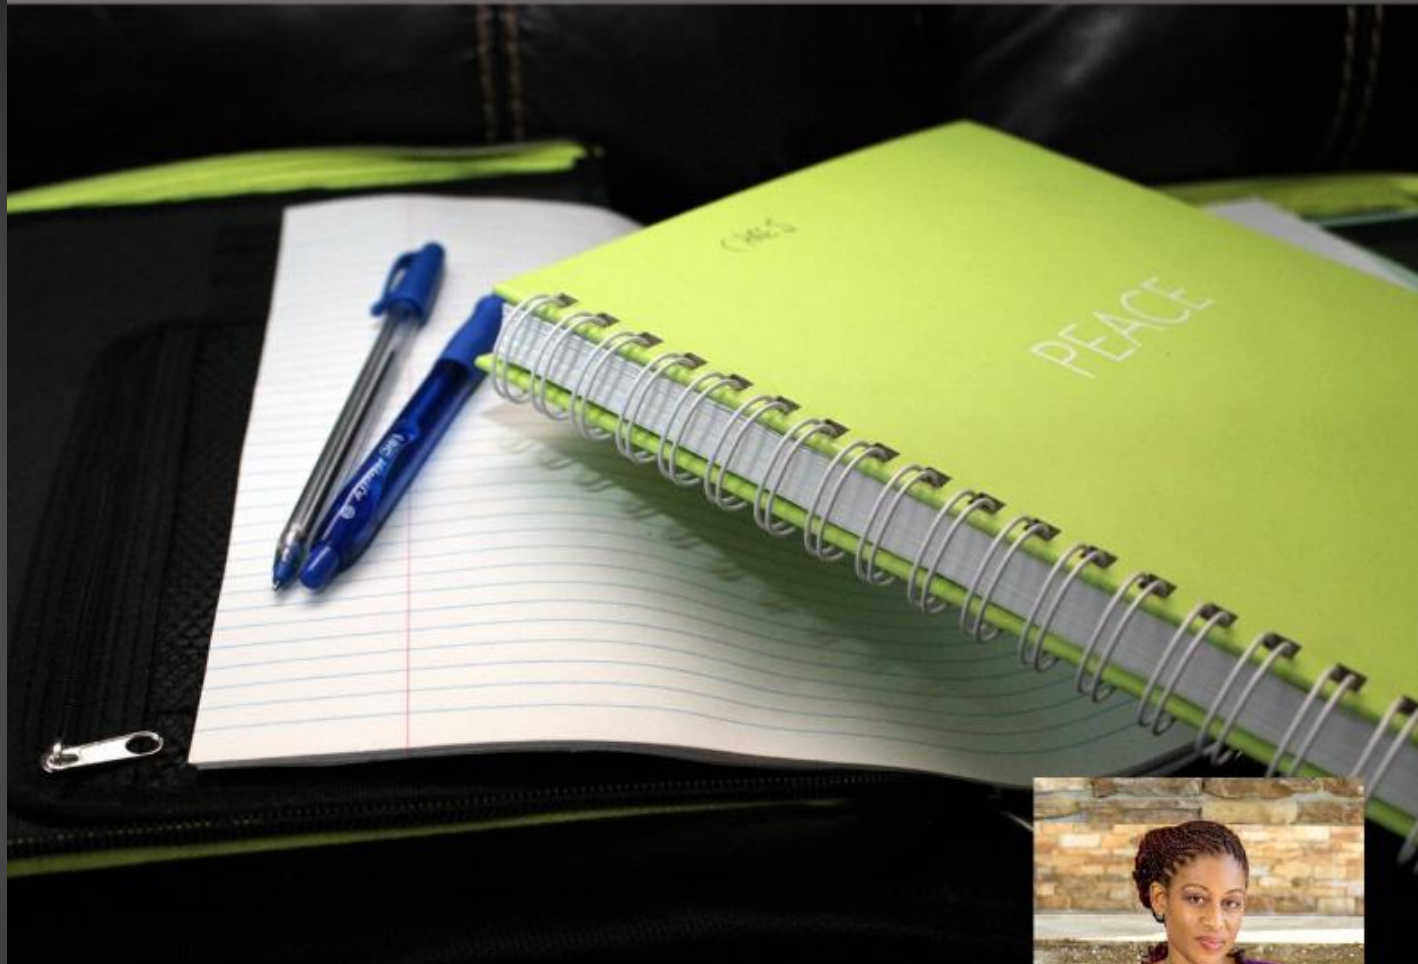

*Honor your responsibility to **provide** for your loved ones.*

# The value of this event...

- **Helping ALL greater Jacksonville residents** -- no matter your age, family status or current health -- **plan for peace**, by placing you in front of qualified professionals to assist with developing a solid plan for your future & that of your loved ones
- **Serving as a premier information resource** for caregivers & the chronically ill *to more peacefully navigate their life journey*
- **Addressing important** and often **time sensitive topics** surrounding end-of-life care & pre-planning
- **Providing practical strategies** to allow you **to still live life abundantly AND celebrate your lasting legacy** -- even as *someone who is ill or serving as a caregiver*
- **Easing the pain of isolation & grief** experienced by caregivers & the chronically ill, by instead **promoting a sense of belonging & community** among those with shared experiences

#Prepare4PeaceJax...

*"If you desire peace, you must prepare for it. Lack of preparedness is the enemy of peace."*

*~K.Jacobs Robinson*
